Experience

2016 Data Scientist

Freelancer

Monterrey, Mexico

- Applying analytics expertise to create prediction models and develop data products

2015 Retail Data Analytics Specialist

Toronto, Canada

2014 Procter & Gamble - Walmart Canada Team

- Disrupted Canada POS data Extract Transform Load process (ETL), reducing Service Line Agreement from 20 to 3 days, enabling Customer Teams sell with bigger, better, and faster data. At Walmart Canada only, it resulted in winning Category Captaincy in Oral Care, Fem Care and Baby Care representing a ~\$5million annual POS increase
- Designed a Brands Feature co-dependence regression analysis to maximize Feature ROI and Market Share growth
- Led P&G's Advance Analytics Global KNIME Training from the Toronto General Office
- Shared & Reapplied Spotfire templates to visualize the impact on the business of Private Label at Walmart Canada
- Pitched to Senior Mgmt. leveraging P&G's HDFS to further improve POS data ETL process using Sqoop and Hive

2014 Retail Replenishment Analyst

Toronto, Canada

2013 Procter & Gamble - Walmart Canada Team

- P&G's Health & Beauty supply chain replenishment owner, supporting a business generating \$250million annually
- Generated \$5.8 million in incremental supply chain driven sales through analytics and replenishment interventions
- Grew Femme Care POS by 4% (\$2million) and Shaving POS by 4% (\$1million) over a 4 months period by pioneering a "How high is up" inventory & forecast pilot project
- Delivered time savings of 120 man hours per month by redesigning and automating forecast and replenishment processes that impact across P&G's entire portfolio at Walmart
- Increased P&G's product portfolio in-stock (+1% VYA) by revamping replenishment weekly in-stock reporting allowing eleven team members to readily ID opportunities, root causes and drive to resolution faster
- Streamlined customer service coverage for largest P&G scale event in N America delivering 100 hours staffing requirement decrease and 100% reported data integrity (+10% VYA).

2013 On-Shelf Availability Analyst

Toronto, Canada

Procter & Gamble - Walmart Canada Team

- Identified phantom inventory instances by developing a dashboard based on POS data

2012 Supply Chain Consultant

Montreal, Canada

Future Electronics Inc.

- Achieved 10% savings in transportation costs (\$120,000) by segmenting shipping methods

2011 Supply Chain System Dynamics Analyst (Independent Study)

Montreal, Canada

Bombardier Aerospace

- Identified key factors disturbing the system model and simulated alternative policies to improve overall performance
- Co-wrote paper presented and published at the 30th International Conference of the System Dynamics Society: [Industry Analysis: The Fastener Supply Chain in Aerospace Industry](#)

2010 Supply Services Manager

Monterrey, Mexico

2006 IECOS

- Increased 300% monthly revenues (\$10,000) by implementing new replenishment program

Education

2012 Master Manufacturing Management

Montreal, Canada

2010 McGill University

Specialization in Supply Chain and Global Operations

2006 Bachelor of Science in Mechanical Engineering

Monterrey, Mexico

2000 ITESM Campus Monterrey

Minor in Industrial Engineering

Honors and Awards

- P&G's "Execute with Excellence" Pearl Award for groundbreaking results in Fem Care pilot project
- McGill MMM program performance scholarship, awarded to top students during the Fall 2010
